To: State, County, and Local Officials Involved with the Intoxicated Driver Program

This directory has been developed in response to requests from county staff working with the Intoxicated Driver Program. It lists the contact points within each county for referral of intoxicated drivers, boaters, snowmobilers, all-terrain vehicle users, and possessors of certain controlled substances (cocaine, heroin, lysergic acid diethylamide, phencyclidine, amphetamine, methamphetamine, psilocin, or psilocybin). Please contact the:

- **Designated Coordinator** for information about a county's program and policy for assessment and/or treatment services.
- **Assessment Facility Contact** for assessment services. Court orders, reports, and collateral information regarding the referral should be sent to this contact point. Please inform the client that she/he should contact the assessment facility for an appointment **first by phone**. A non-resident should contact the facility the day of the court appearance. Most assessments take 1-2 hours.

The web version of this directory is continuously updated and is available for viewing and for printing at
